### SWEET AND SPICY BRISKET BEEF JERKY

Starting with a sweet flavor, this jerky will have you wondering "Where is the spicy part?" until a few seconds into chewing when you'll feel a pleasant heat start to build. This mild heat magnifies the flavor and soon you will be savoring the taste as it develops more and more as you chew. Like armies at battle, Sweet and spicy will fight for control of the flavor, but the more they mix, the more you'll realize that these two flavors, working together make an amazing beef jerky! 3 Ounces

### MANGO HABANERO BRISKET BEEF JERKY

We use real habaneros in our jerky, washed and cut alongside the meat; chopped and tumbled as the jerky develops an intense heat that has the classic habanero slow-build. In order to diffuse this powerful heat, we glaze the jerky with mango and sugar. These tropical ingredients combine to become amazing flavor. We also sprinkle a traditional Latin lime salt on the jerky to give it a final kick. 3 ounces.
